

## Older Individuals Who Are Blind Program

Free, personalized services helping adults with vision loss live independently throughout Los Angeles County.

OIB is Wayfinder's program for seniors with vision loss. We provide personalized one-on-one instruction to help older adults 55+ live independently and confidently. Those under 55 may also qualify.

### AT A GLANCE

Sessions are customized to each client's needs:

**Low Vision & Assistive Tech:** Magnifiers, filters, smartphones, tablets, and virtual assistants.

**Orientation & Mobility:** White cane skills and indoor/outdoor navigation.

**Daily Living Skills:** Meal prep, kitchen safety, medication management, and laundry.

**Communication:** Braille and audio recording.

**Counseling & Advocacy:** Adjustment support and coaching to secure needed resources.
