

Wayfinder Family Services BLIND BABIES FOUNDATION

Family-Centered Early Intervention Services

Blind Babies Foundation, a program of Wayfinder Family Services, provides critical early intervention and education services to infants and preschoolers in Central and Northern California who are blind or visually impaired and may have additional disabilities. The program's family-centered services are provided in the homes of the children we serve, encouraging every child's development to the fullest degree possible with careful attention to their individual abilities and needs. Services are provided at no cost to families.

Junior Blind
has a new name!

We're so proud of Junior Blind's long history of serving children, youth and adults who are visually impaired and those with developmental disabilities. It's an exciting time in our history as we extend our hands to help children and families facing different challenges. Wayfinder Family Services embraces everyone we serve.
