

Wayfinder Family Services EARLY INTERVENTION PROGRAM

Family-Centered Early Intervention Services

Wayfinder Family Service's early intervention program provides a wide range of services for children, birth to 3 years, with visual impairments and/or other disabilities in Southern California. A key component of these services is helping families gain the knowledge to become successful advocates for their child's education and care.

AT A GLANCE

- Vision stimulation for children with visual impairments
- Infant stimulation for children with multiple disabilities
- **Functional Vision Assessment, OREGON Assessment and/or DAYC-2 Assessment** (as applicable)
- Parent education supporting parent/child relationships and family advocacy skills
- Opportunities for specialists to attend medical visits with families
- Family support groups, play dates, respite opportunities, family camp and other opportunities for families to meet and to learn from one another
- Coordination with family's additional service providers to provide support accordingly
- Bilingual services in English/Spanish in all regions
- Certified infant massage specialists

Junior Blind
has a new name!

We're so proud of Junior Blind's long history of serving children, youth and adults who are visually impaired and those with developmental disabilities. It's an exciting time in our history as we extend our hands to help children and families facing different challenges. Wayfinder Family Services embraces everyone we serve.
