

Wayfinder Family Services EARLY INTERVENTION PROGRAM

Family-Centered Early Intervention Services

Wayfinder's early intervention program provides a wide range of services for young children who are blind, visually impaired or have multiple disabilities. The program's family-centered services are provided in the homes of the children we serve, encouraging every child's development to the fullest degree possible with careful attention to their individual abilities and needs. Services are provided at no cost to families.

AT A GLANCE

- Activities aiding in physical, visual, auditory, social and emotional development
- Stimulation of cognition and play skills
- Guidance in communication and self-help skills
- Accompaniment to ophthalmologist or optometrist appointments
- Classroom teacher consultations and individualized education program (IEP) support and guidance
- Orientation and mobility consultations for specific geographic areas
- Parent support groups, advocacy trainings and educational workshops
- Family activities, including regional picnics, social activities and Family Camp at Wayfinder's Camp Bloomfield in Malibu, California

REFERRAL PROCEDURE

A child may be referred to our early intervention program by a family member, healthcare or blindness professional, Regional Center or school district.

Junior Blind
has a new name!

We're so proud of Junior Blind's long history of serving children, youth and adults who are visually impaired and those with developmental disabilities. It's an exciting time in our history as we extend our hands to help children and families facing different challenges. Wayfinder Family Services embraces everyone we serve.
