

Wayfinder Family Services GROUP HOME FOR CHILDREN

**A Loving Home for
Those Who Need it Most**

Wayfinder's group homes for children provide a family environment for children, ages 6-17, who have moderate-to-severe disabilities and may be medically fragile. All of our homes are specially designed to meet the unique needs of our residents. We offer structured programming that helps residents learn basic life skills and provide them with opportunities to participate in therapeutic recreational activities and community-based outings—maximizing their potential and increasing their community integration.
