

# Help make the holidays brighter for kids in foster care!

## A holiday wish list:

**“I’ve never had a teddy bear before.”**

Michelle is 5 years old and recently entered foster care, after years of being neglected at home. She’s never received a gift, even on her birthday. Help give Michelle the number one item on her wish list: a teddy bear she has already named “Mimi.”

**“We want to give them their first holiday meal.”**

Sheila and John are new foster parents. They are both teachers and have agreed to foster special needs children, who are the hardest to place. This month, little Nora, Joseph and Mia arrived at their home with nothing but a few belongings in a trash bag and Joseph’s wheelchair. Help Sheila and John purchase the ingredients for their first holiday meal as an expanded family.

**“I want to give my little sister a gift this year.”**

Tenesha and Tara are not only sisters, they are best friends. They are thriving in their new foster home. When Tenesha’s foster mother offered to buy her a new backpack for school, Tenesha asked if she could save the money instead, because “I want my little sister to get a present under the tree this year.”
