

FREE six-hour training for Foster, Adopted, and Kinship families, and those who support them. We offer this training at no cost to Wayfinder Families.

At a glance:

The Nurtured Heart Approach® (NHA) is a relationship-focused methodology founded strategically in “The 3 Stands™” for helping children (and adults) build Inner Wealth™ and use their intensity in successful ways. It has become a powerful way of awakening the inherent greatness in all children while facilitating parenting and classroom success. The essence of NHA is a set of core methodologies originally developed for working with the most difficult children. It has a proven impact on every child, including those who are challenged behaviorally, socially and academically.
