What impact can your gift make?

“This gift is for me?”

13 year-old Ava was placed with a foster family just a few days after Thanksgiving last year. She had been through a traumatic experience but she slowly began to open up to her foster mother and shared how creating art helped her through tough times. On Christmas morning, she spotted a gift under the tree with her name on it. She double-checked, “this gift is for me?” She opened the gift and discovered it was filled with art supplies. “This gift IS for me,” she exclaimed.

We especially need gifts for Teens and Tweens!

Please include a receipt if possible with your donation.
