What is Kinship Care?

Grandparents, aunts, uncles, siblings, extended family members or close family friends who step up to raise children who have been separated from their parents their birth parents are considered, kinship caregivers. Our support and navigation systems help caregivers to strengthen their families and protect the children in their care

One Name. Infinite Potential.

Lilliput and Wayfinder Family Services merged in 2020 and as of 2023, we will be known as Wayfinder Family Services. We're so proud of Lilliput's history and even more excited about our future as part of Wayfinder Family Services. Our goal remains unchanged: do whatever it takes to give children the opportunity to be part of a safe, nurturing, lifelong family.

Changing the future,
together.
