

## SPECIALTY MENTAL HEALTH Placer County

### AT A GLANCE

- Individual and/or family mental health services for youth up to 21 years old and residing within Placer County
  - Services conducted in office or via telehealth
- Behavioral support as needed with a Child and Family Specialist
  - Services conducted in home, school and/or community
- Medication evaluation and management as needed with Psychiatrist

### WAYFINDER'S EXPERTISE

- Our staff are highly-trained, compassionate and committed. Many of our staff members have been working in the field of foster care, adoptive care, and/or mental health care for decades, and some are even foster parents themselves!
- Wayfinder also has over 65 years of experience providing care to children with disabilities, learning differences and medical conditions. Becoming a Wayfinder means you have access to our expertise and comprehensive resources.

### Speciality Mental Health

Wayfinder's Specialty Mental Health Program provides intensive outpatient therapy, behavioral support, and medication management for youth aged 0-21 years old residing in Placer County.

Referrals are received through the Placer County Mental Health Access Line.
