What impact can your gift make?

"I want him to believe ..."

14 year-old Richard and his little brother were placed in foster care last year just before the holidays. His foster parents told him they wanted to give him an allowance that he could save or spend on whatever he wanted. But Richard asked his foster parents if he could use his new allowance to buy gifts for his little brother. "I want to leave him lots of toys under the tree so that he knows Santa can still find us. I want him to believe in Santa."

THANK YOU FOR MAKING WISHES COME TRUE THIS HOLIDAY SEASON!
